Data Source: Behavioral Risk Factor Surveillance System

Based on the question: "During the last 12 months, have you experienced physical violence or had unwanted sex with a current or former intimate partner?"

% = Weighted percentage of respondents

LCL= Lower 95% confidence level of the weighted percentage; UCL= Upper 95% confidence level of the weighted percentage

All percentages are weighted to be more representative of the population of Maine and to adjust for non-response.

NSD: Non-sufficient data. Data is not available due to small or zero counts.
